#### Declaration

NOVERA Technologies s.r.o. declares that products forming the **NOVERA SYSTEM** are intended for use as part of professional building systems for thermal management, surface protection and waterproofing.

The products are intended for:

- roofs, facades and exposed building surfaces;
- interior walls and ceilings (NOVERA Interior);
- waterproofing and crack-bridging applications (NOVERA HydroRepair).

The products are **not intended** for:

- surfaces subject to continuous mechanical abrasion;
- immersion in swimming pools without a dedicated waterproofing system;
- application on unstable, contaminated or actively degrading substrates.

Proper substrate preparation and compliance with technical instructions are essential for performance and durability.
