

## FIRE & WATER PERFORMANCE STATEMENT

### System-Level Declaration

---

#### Statement

When applied as part of a certified system:

- **NOVERA Reflex** may be incorporated into roof assemblies tested for fire performance (e.g. B ROOF T1 / T3 system configurations);
- **NOVERA HydroRepair** provides elastic waterproofing performance suitable for demanding structural applications, based on harmonised EN testing.

Final performance depends on the complete system build-up and substrate.
